

JUAN ANDRES OROZCO NUÑEZ

Software Developer

Colombia • juanxxi2015@gmail.com • [Linkedin](#) • +57 3165796519

PROFESSIONAL PROFILE

I am a software developer experienced in designing microservices using Java, with a strong emphasis on SpringBoot. My expertise extends to .NET, Kafka, and Amazon Web Services (AWS). I have contributed to diverse projects, including mobile app development, e-commerce platforms, and IoT components. My focus lies in optimizing application performance and implementing solid architectural practices. I hold a certification in AWS Academy Cloud Foundations.

PROFESSIONAL EXPERIENCE

CODESA

Cali, CO

Backend Developer

July-2023-Present

- Optimized and refactored SpringBoot microservices, resulting in an improvement in response time and a more scalable architecture
- Implemented automated testing procedures, increasing code reliability.
- Spearheaded the implementation of security best practices, ensuring compliance with industry standards.
- Collaborated with cross-functional teams to integrate third-party APIs, enhancing system functionality and user experience.
- Stack : Java 11 ,Java 8, Spring Boot, MySQL, Oracle SQL,Docker, Python, Linux

EYS INGENIERIA DE COLOMBIA

Cali, CO

Software Developer

Nov 2021-July 2023

- Developed and designed dashboards for tracking key metrics, improvement in data visualization and decision-making.
- Applied microservices architecture to enhance the scalability and maintainability of the internal mobile application.
- Introduced and championed coding standards and code review processes, resulting in a reduction in bugs and improved code maintainability.
- Stack : Java 11 ,Java 8, Spring Boot, MySQL,Docker, Python, Mobile

EDUCATION

UNAD UNIVERSITY (IN PROGRESS)

COLOMBIA

Bachelor of Software Engineering.

2024

SENA (IN PROGRESS)

COLOMBIA

Associate Degree in Multimedia and Web Development.

2022

ICESI UNIVERSITY (NOT FINISHED)

COLOMBIA

Bachelor of Software Engineering.

2017

SENA

COLOMBIA

General Management Systems Databases

2020

AWS

COLOMBIA

Academy Cloud Foundations

2020

TECHNICAL SKILLS

- Languages Java 8, 11, 17, .NET Framework C#
- CI/CD : Jira and Jenkins
- Cloud Skills: Amazon Web Services (AWS), Azure and Basic knowledge about GCP
- Web: HTML, CSS, Angular
- Messaging: Kafka
- Frameworks: Spring (Boot, MVC, JPA, Security, Data, Webflux)
- Databases: MySQL, Oracle DB,Postgres, Mongo
- SDLC: Agile/Scrum
- IDEs & Tools: Gradle, Maven
- Test: Junit, Mockito(For Mockups)
